### Murrabit Community News

Back to back Murrabit markets this month kept our volunteers on their toes with the usual April market on 1 April and one week later, the Easter Saturday market. Both events were highly successful with plenty of stallholders and visitors. Easter Bunny and our bouncing Stilt Walkers, 'Sandy Crack' and 'Terry Towelling' kept the Easter Saturday crowd amused with their funny antics! Thank you to Creative Gannawarra for sponsoring the stilt walkers to bring some extra joy to our community. Easter Bunny had over 100 little (and some not so little) children lined up for a photo opportunity at our Easter themed photo booth!

Next events coming up are our **ANZAC Day Service and Community Luncheon on 25 April**. The community luncheon is being supported by Gannawarra Shire Council as a post-food recovery event. Please feel welcome to come along to the lunch, even if you can't come to the service being held earlier in the day.

We then have **Krazy Koala Entertainment and Bebo Circus** on Sunday **30 April** to bring joy to our young Murrabit, Myall and Benjeroop children and families (see back page for booking details).

Then following that, renowned Aboriginal singer and songwriter, **Nancy Bates** will be performing in Murrabit on Sunday **21 May**. This is a partnership between the Ladies of Murrabit Arts and Culture Group and Creative Gannawarra. Nancy will also host a singing workshop. The afternoon performance will be followed by an afternoon tea. Big thank you to the volunteers who are working hard behind the scenes to bring these community events to Murrabit for everyone from across our district to enjoy!

## JACK EGAN MANNERS

Jack was the second of eight sons born to Kate and Barney Manners who lived just across the creek from the State School at Myall. Four Manners boys, (Ted, Jack, Bill and Syd) served in WW2. "Jack" born on 1/6/16 at Koondrook enrolled at Myall School on 5/5/22.

At Myall Hall in 2012 an ABC Open Day was held at which Julie Bagg nee Manners of

Koondrook gave a gripping account of her Uncle Jack's war history with much devotion to her search.

At the age of 24 Jack signed up in Kerang for war service abroad in the AIF. (Service No VX37281). Jack completed his initial training at Royal Park and after three months was posted to 2/29 Battalion where he was appointed Acting Lance Corporal and marched out. Before his embarkation to Singapore in 1941 he received a promotion to Acting Corporal and in February of that year married Dorothy Maffescioni. His next posting was Malaya where his rank as Corporal was confirmed

A photo of his farewell at Kerang station shows Jack in the bottom row to the far right with around 30 other young men from Koondrook Barham district as they departed civilian life.

According to war records Jack was first found to be missing in action for 5 days in January 1942 and later found that he had been taken as a prisoner of war by the Japanese. Evidence of his movement from Muar in Malaysia to Changi prison on 22/4/42 was found in a diary written by Edwin Robert (Ted) Christie of Barham who passed on the diary to a mate at Changi after the arrival of Jack at Changi and before being shifted. Jack endured years of hardship as a POW in Thailand, arrived back at Changi to be moved to Japan.

In September 1944 Ted Christie and Jack were in the South China Sea on their way to Japan on the Rakuyo Maru. On 12<sup>th</sup> September the whole flotilla was attacked by US submarines unaware of the presence of POWs. George Lewcock of Barham was also on that Japanese freighter when it was sunk by an American submarine. Of the prisoners 152 survivors were rescued in the 5 days after the ship was sunk and 1,410 perished (which includes 7 prisoners who died after being picked up at sea). The survivors were suffering from severe malnutrition and tropical diseases. The incident has been described as one of the most sensational stories of the war.

## Murrabit Hall News

Unfortunately, due to circumstances beyond our control, our AGM, which we had set for Monday May 1<sup>st</sup>, has had to be postponed again! We will notify everyone when we have a new date.

The Anzac Day service is a very special event in Murrabit. It will be held in the Hall again this year and our guest speaker is Mayor Charlie Gillingham. Hope to see you there!

We're also really looking forward to hosting the '**Krazy Koala Entertainment and Bebop Circus**' on **Sunday 30 April**. It will be a fantastic afternoon for all the kids (young and old) and their families from our local Murrabit, Myall and Benjeroop area.

The Hall is a perfect venue for a wide range of functions – day or evening, and is extremely well-equipped. To hire the Hall or for more information, contact Marlene Laursen 54572291 or Neil Hopkins 0490830641.

***Have a great month everyone!***

## Hum and Strum music

We were excited to be performing interstate last week! (We made a return visit to Murray Haven in Barham). We had a few of our regulars not able to be with us and we missed their talents and contribution to our group. But the staff and residents at MurrayHaven are so appreciative and friendly that we had a terrific afternoon and thoroughly enjoyed ourselves, staying on for a cuppa, cake and chat for over half an hour after the performance. We're having a week off next week (April 19<sup>th</sup>) as we have a busy May coming up with lots of requests to perform around the district.

We're certainly having great fun playing together and we really enjoy performing. But if that's not for you and you'd just like to come along to our regular Wednesday sessions (2pm at the Golf Club) for some fun – all good too! At the moment our instruments are guitar, ukulele, banjo and keyboard but people who just like singing are part of our group as well.

So if you're interested in singing or playing for enjoyment in a really relaxed, friendly atmosphere contact Neil Hopkins 0490 830 641 for more information.

## Murrabit Netball News

The season is upon us!

Preseason has been great. Senior coaches have been providing that enthusiasm to the playing group since commencing in January, with a mixture of online motivational group challenges, as well as adding in extra sessions of fitness with a personal trainer, plus a netball camp, a community practice match, compulsory trainings and fun bonding sessions.

**Goals for the new season?** Seniors are light on for numbers compared to previous years, so the goal is to really ensure this year creates lots of opportunities for our young and upcoming players to get plenty of court time and development.

**Noteworthy Gains:** In squad 1, we welcome Montana who has come across from Wandella and is a very versatile goalie and mid-courter. We also have some very handy defenders, Erin who has joined us after moving to the area with her partner Luke and Dana who joins us with husband Jade and son Archie from her previous Club, Quambatook. We have a local girl coming up through the ranks, 15-year-old Mila who shows lots of talent and is committed to seniors full time this year. The core of the team remains the same with great netball skills and plenty of experience.

In squad 2, we welcome Sam, Carly and Tori, all mid courters. Tori was from Birchip, Sam from Deniliquin and Carly previously from Lockington. All three girls have expressed how welcome they feel at Murrabit. Carly "I like the social aspect, it's a great Club". Sam "Everyone is friendly". Many returning faces are fronting up again and it's great to see junior Jessie named as a senior. In the juniors, we are blessed to have newly appointed Carly coach U17's. Carly has a lot of wisdom to provide our elder juniors from her experience in secondary education and past involvement coaching juniors. Carly is extremely encouraging, and I know the juniors will thrive with her support. Jess is continuing the role of U14's coach. Jess is very easy going in supporting her playing group and is especially mindful of each player's uniqueness. Jess leads by example, which is such a great attribute to our younger, aspiring players. Ang is continuing with F-Troop. Ang loves her role and will ensure fair participation with a mixture of fun bonding sessions and specific targeted development for new and experienced juniors.

***We are all super excited for the Season - GO BLUES***

## Murrabit Lawn Tennis Club

The Murrabit Lawn Tennis Club hosted our 76<sup>th</sup> annual Easter tournament over the Easter weekend. Easter time is usually guaranteed perfect weather, but this year we had a few interruptions and challenges. Our mixed day on Friday was cut short due to the rain and we made the decision to abandon play with around a quarter of our matches still to be played. This made for a very busy and longer than usual day on Saturday, managing all the doubles set and the rest of the mixed sets and finals.

We thank all our participants for their patience and understanding, making sure all matches were completed. With the rain Thursday night and Friday our courts were playing a bit heavier than usual, throwing in an extra challenge, especially for our visitors. But there is nothing better than playing on grass courts and we thank our committee and greenskeepers for having the courts in such great condition.

Easter is all about family and friends and we had many family groups gathering for their yearly Easter get-together. We love that our tournament can be the destination and enjoyed by so many. Over the 2 days, we had close to 160 entrants, competing in the doubles and the mixed.

It was a fun, social atmosphere, with everyone enjoying either playing or watching great tennis.

As per tradition in Murrabit, there were many competitors dressed up with their partners in matching costumes. We had some creative and very interesting outfits taking to the courts. This added to the fun environment of the tournament and resulted in many players receiving 'best-dressed' prizes, as sponsored by Michelle Noonan. A huge thank you again to our fantastic sponsors, their contribution is so important to the running of our tournament. Thank you to the small but hard-working committee who continue to run the tournament each year. There is so much work involved and all done by our volunteer members, from the court preparation to the catering, serving, selling raffle tickets, preparing the playing schedule and running the event. A mighty effort!

## HISTORICAL SNIPPET

### Murrabit Bush Nursing Hospital

Medical assistance was available in Kerang from very early days, but it was a long trip with a sick person, over bad roads with slow transport. Most illnesses were treated at home, the nursing being done by the family, with help of kindly neighbours. Most babies were born at home.

Round the turn of the century, Mrs MURRAY, was a midwife and she brought most of the locals children into the world, followed by her daughter Phoebe (Reilly).

Murrabit Bush Nursing Centre was established on January 12<sup>th</sup> 1927 with membership of 60, and by the end of the year there were 98 members.

Bendigo Red Cross Society had generously donated 100 pound per year for 3 years to the new centre. The annual subscription was 1 pound 10 shillings, for a family and 15 shillings, for single people, and with a government subsidy the centre soon became an established part of the Murrabit community.

Sister TURNER, the first sister, boarded with Mr and Mrs PITMAN and the centre supplied a horse and jinker. In view of the time taken visiting patients, especially in wet weather, the Committee built a substantial cement cottage in Murrabit with a surgery for the sister's work. This made her more readily available and also enabled her to carry out Infant Welfare.

The Bush Nursing Cottage had a plaque on the wall saying "This stone was laid by Miss L JONES, Red Cross Society, Bendigo. Sept. 1930".

In a room, presumably the one used as a surgery, had a floor to ceiling mural of Snow White and the Seven Dwarfs and their little cottage, there was a castle on a hill, squirrels, mushrooms, toadstools, trees and stumps (pictured right).

The Centre subsidised the cost of running a car and all the sisters after Sister TURNER had their own cars. Five schools in the area were visited regularly. Guarantors were Mrs E. A. ASHWIN, Messrs F. L. WALTERS, P BRYER and J.H. MORTON. Mr J.H. MORTON was also secretary, a position he held during the whole of the time that the Centre operated.

Each year the Centre ran a most successful carnival on the river bank near the Murray Bridge. Side shows, races and raffles were run and various other features were held from year to year to vary the program. One year two men dived from the top of the bridge into the Murray, much to the delight of the large crowd watching.

The day's pleasure was continued into the evening, a dance was held in the hall and the raffles were drawn. During the year several dances were held to help with the costs of running the Centre.

In 1940 "Glenarm" private hospital was taken over by a Kerang committee and run as a Bush Nursing Hospital. The Centre at Murrabit was closed and the cottage sold by Public auction in June 1940.

The mural remained on the wall for many years until it was painted over.

The cottage is in 'Church Street' and still lived in today.

This was a wonderful service to the district as bad roads, especially in winter, isolated the people from medical help. The sisters were all well respected and became part of the community.

The costs of hospitals and doctors were also a consideration in the days before government subsidies.

The Bush Nursing Society has a proud record of service and the Murrabit people were fortunate to have such a service if only for a few years.
