Murrabit Community News

The January and February Markets have been well supported with strong crowd numbers and great support from our loyal stallholders.

Thanks to the Murrabit & District Lions Club volunteers, our regular Australia Day Breakfast on 26 January went well. The theme 'Are You OK?' was particularly relevant and timely. Please keep looking out for your neighbours, friends and families and thank you to those who are out and about continuing to connect and support residents impacted by the floods.

We have some fabulous community events coming up in Murrabit with street entertainers from Melbourne now booked to attend our Easter Saturday market - Sandy Crack and Terry Towelling will be entertaining the crowd and sure to create a great deal of excitement across the Market site! We have booked 'Krazy Koala Entertainment and Bebop Circus' for Sunday 30 April to create some light hearted fun for our Murrabit, Myall and Benjeroop families and children. We will also be hosting a musical performance by renowned Aboriginal singer and songwriter, Nancy Bates, on Sunday 21 May. Nancy has also offered to run a singing workshop while in town. The afternoon performance will be followed by a relaxing afternoon tea.

The next step of the community landscaping project around the Murrabit Hall has been completed with the lawn now planted and being watered by the automated watering system installed in 2022. Some finishing touches still to come including more tree planting, planter boxes and some art panels. Our volunteer groups have worked hard to make the hall and surrounds a more attractive place for the community and the Murrabit Market. It's great to see this plan coming together.

HISTORICAL SNIPPET

Miss Margaret Keats MBE

Margaret Keats, daughter of English pastoralist, Thorald

Goodwin Keats and his Scottish wife, Jessie Eliza (Cumming), was born on August 14, 1895 at 'Weilmoringle', a pastoral lease in the marginal country on the banks of the Culgoa River north east of Bourke, New South Wales.

From a very early age Margaret loved animals with horses being her first love. Her parents purchased "Gonn" Station on the New South Wales side of the Murray River in 1911. She was educated at Melbourne Girls Grammar. After completing school,

Margaret undertook a veterinary course at the Melbourne University to enable her to care for her own animals. She graduated in 1923 becoming the second woman in Victoria to become registered as a veterinary surgeon, and the first through Melbourne University. People began asking her for assistance with their sick animals.

In the early days Victoria did not allow a woman to be a Justice of the Peace but around 1926 Margaret was appointed a Commissioner of the Supreme Court for Taking Affidavits. She was appointed Inspector of Stock for the Gonn Crossing. No cattle could cross the Murray River without being inspected by her. Three times a week she was summoned to her post to inspect mobs of cattle and if passed, papers had to be signed for dispatch to both New South Wales and Victoria. As Commissioner of the Supreme Court she could attach her name without having to find a Justice of the Peace. She had a quarantine station on the Wakool River in New South Wales....**Continued page 6...**

Murrabit Hall News

The next stage of our Hall beautification project has taken place with Stephen O'D rotary hoeing around the hall and sowing lawn over the whole area.

This area has had a sprinkler

system installed to make sure that it gets a decent drink, so now we just have to sit back and watch the grass grow! It will look terrific when it's all done.

A solid mornings work was done weeding and cleaning out the Hall garden near the toilet block last week. It looks a lot smarter now. There was some disruption and plant loss after the major work to repair the troublesome toilet issue late last year and we're now hoping to replant that area in time for the Easter market.

It was nice to see community lunches start up again this week. It's a delicious meal and it's for everyone in the community. Line dancing is back in full swing on Thursdays, while we also have our regular yoga sessions with Robyn (Monday) and Neil (Wednesday) happening each week. The Hall is still the base for storage of all of our flood goods, but things are slowing down now.

We will be holding our AGM in April this year after a cancellation last year due to the flood event. Notice of the date will be in the March newsletter. We'd love you to come and join our committee!

The Hall is a perfect venue for a wide range of functions – day or evening, and is extremely well-equipped. To hire the Hall or for more information, contact Marlene Laursen 54572291 or Neil Hopkins 0490830641. **Have a great month everyone!**

MARKET CLEAN UP ROSTER 2023
March Market—Murrabit Fire Brigade
April Market—Murrabit Playgroup

Hum and Strum music

It's been a busy month since we returned from our Christmas break. In our first 3 weeks back we added a dozen new songs to our playlist and we now have around 100 songs in our playing repertoire! On 15 February we performed at the WD Thomas Day Centre in Kerang. It was our first return visit and we had a fantastic time and were treated to a delicious afternoon tea (stacks of cream cakes!). We backed up with a performance at the Cohuna Hospital on 22 February. It was a really lovely day as we were able to include Doris Mathers (one of our original members) who has been laid up since before Christmas with a very severely broken ankle. We have an engagement at Glenarm on 15 March and have been invited to perform at Murrayhaven and return to Cohuna in the next month. We've been going for just on 18 months now. We're still having great fun playing together and we really enjoy performing. But if that's not for you and you'd just like to come along to our regular Wednesday sessions, we meet at the Golf clubrooms at 2pm. At the moment we have guitar, ukulele, banjo and keyboard but people who just like singing are part of our group as well. So if you're interested in singing or playing for enjoyment in a really relaxed, friendly atmosphere contact Neil Hopkins 0490 830 641 for more information.

Murrabit Lawn Tennis Club

The tennis season is now heading into the home straight with only a couple of rounds to play before the finals. Our division 3 team is sitting comfortably at the top of the ladder and playing well each week, hoping to hold that spot. Division 1 are gritting their teeth and holding onto 4th spot at this stage, with some tough matches still to play. Our juniors are having a terrific season. They are enjoying their tennis and have improved throughout the year. Our two junior teams are sitting in 3rd and 4th position. But it is very tight in the juniors so they will have to work hard to ensure that they get to see some finals action.

Saturday juniors
James, Drew, Evan, Belle, Lyla, Kobe and Pippy

We had our junior coaching break up last week to finish up our program. The Hot Shot kids had a fun night with lots of games and laughs. Thank you to

Sally for your efforts with the little ones. They have all improved their tennis skills and it won't be long until they will be playing matches.

The older kids (Tennis 4 Teens group - pictured below) were able to show their match skills with a mini tournament. It was a fun night, with a different partner for each set, and the kids showed some great skills,

sportsmanship and etiquette. Winner for the most games won went to James McDonald (pictured right). Second place was Emily Murray. Thank you to coach Simon for all your work with the kids.

Our Club Championships have begun. This involves a singles knockout contest, played over the next two Thursday nights. We have a Men's, Ladies, junior boy and junior girl competition.

Good luck to all our participants!

Murrabit & District Lions

Our Club has been very busy over the last couple of months.

We have already had two successful markets this year and look forward to another one in March as well as two in a row in April with the Easter market being one of our big fundraisers.

The Murrabit & District Lions Club again hosted another successful Australia Day Breakfast, serving around 80 delicious meals of egg, bacon, sausage and tomatoes, expertly cooked by our Lions members.

The guest speaker was Pam Lingenberg who told her story of being involved in a serious car accident, losing everything in a Gippsland fire, her life-long passion for sport and her career path in health, particularly in supporting mental health.

The theme of looking out for one another and asking

'ARE YOU OK' was also reflected in the addresses given by Lions President Neil Hopkins and Gannawarra Shire Councillor Ross Stanton.

Cr Stanton announced the Gannawarra Shire Citizen of the Year recipients and gave an overview of the work that the Council had been doing, particularly during the recent floods and projects that are coming up in the Shire in the future.

Our Club has been able to assist in flood recovery in the Murrabit West and Benjeroop areas by keeping in touch with affected people and distributing hampers donated by the Cohuna Neighbourhood House. President Neil has also been busy distributing fuel vouchers and other funds to people that have been inundated and/or isolated during the floods. The funds for the vouchers were made available from donations from local people as well as a \$7000 donation from the Lions International 201V6 Foundation Disaster Fund. If there are people out there that need assistance, please don't hesitate to contact one of our members.

If you are new to our District, our Club has two meetings each month with a business meeting held on the second Tuesday of each month in our clubrooms at the Murrabit Golf Club and a dinner meeting on the fourth Tuesday of each month where we have a guest speaker.

We are always on the lookout for new members. If you are interested in becoming involved in our Lions Club and serving our community, please contact our membership Chairman Bill Hazen on 54572213 or our President Neil Hopkins on 0490830641.

HISTORICAL SNIPPET

Miss Margaret Keats MBE (affectionately known as Miss Keats)..Continued from Front Page Article

For much of her career she travelled in a single seater A Model Ford (pictured below) enduring heat and dust and dreadful road conditions. In wet weather, chains were used.

While an animal needed her care, she would attend to it at all hours and at any time ably assisted for many years by Fred Skram (of an old Benjeroop family). There is a story of her crossing the Murray to attend

to a sick animal while the bridge was still being built. She inched her way across on a girder taking her veterinary bag with her.

At one time she was Honorary Vet to Kerang, Swan Hill, Moulamein and Gunbower Turf Clubs, Kerang Trotting Club, Kerang Agricultural Society and Kerang Kennel Club. Her territory covered 11,000 square miles out beyond Balranald to the North, through the Mallee, and to beyond Calivil to the South. She practised from "Gonn" until the 1930s before moving into Kerang, where she practised as a veterinarian until she died in 1970.

She was awarded an MBE in 1959 for her outstanding devotion to the care and welfare of sick animals.

In 1968 she achieved her lifelong ambition to win the Kerang Cup with a horse she had bred "Flight On" The cup was presented to her by the Prime Minister of Australia, Sir John Gorton (pictured right)

"Flight On" won the Cup the following year and then again in 1970. Margaret died on April 5, 1970 at age 75 and is buried in the Kerang Cemetery.

The Picnic Area downstream of the Murrabit Bridge is dedicated to Miss Keats, a notable district resident who battled to obtain a university degree in days when it was extremely rare for a woman to do so. She then went on to have a successful career spanning 47 years as a veterinarian and throughout these years was known far and wide for her kindness and selfless assistance to anyone with an animal requiring her care.

The picnic area is an excellent location to view the bridge and the Murray River, and to enjoy a picnic.
